Installation	Installation of Curtain Call Roman/Balloon shades is easier and simpler than any other brand of Roman/Balloon shades.	
Lead Time (wks)	**2-3 wks * Curtain Call** less lead time than any other curtain vendor while maintaining Curtain Call quality	

Note) 1. Compared with the same quality of fabric and simple Roman/Balloon shade style
2. * The express order (within 2 wks) is available.

The Roman shade installed in the guest room has the following problems.

1) It has only one layer with heavy lining and the support string is not strong enough to support the weight of the shade. As you can see in the picture, the middle part is already falling down.
2) It is really difficult to roll it up due to the weight.
